## PRESS RELEASE

FOR IMMEDIATE RELEASE

### Christopher Nuttall's bestselling fantasy *Bookworm* series to be released as unabridged audiobooks

*The Bookworm series will become the first Elsewhen Press titles available on audiobook, in transatlantic deal announced with Tantor Media Inc.*

**DARTFORD, KENT – 03 April 2017** – Elsewhen Press, an independent UK publisher specialising in Speculative Fiction, is delighted to announce the signing of a deal with **Tantor Media Inc.** for the unabridged audiobook rights to **Christopher Nuttall's** bestselling *Bookworm* series.

*Bookworm* is an Epic Fantasy series that follows Elaine, an orphan with limited magical talent working as a librarian in the Great Library in Golden City. Her life changes when she triggers a magical trap and ends up with all the knowledge from the library – including forbidden magic that no one is supposed to know – stuffed inside her head. If the senior wizards find out what has happened to her, they will almost certainly have her killed. The knowledge that was locked away was meant to remain permanently sealed and letting it out could mean a repeat of the catastrophic Necromantic Wars of five hundred years earlier. Elaine struggles with the terrors and temptations of her newfound knowledge, while trying to stay out of sight of those she fears, embodied by the sinister Inquisitor Dread. Meanwhile, a darkly powerful figure has been drawing up a plan to take the power of the Grand Sorcerer for himself; and Elaine, unknowingly, is vital to his scheme. Through the four books in the series, Elaine grows in self-awareness and resolve as she tries to unlock the mysteries behind her new knowledge, divine the unfolding plan, discover the truth about her own origins and stop the evil that threatens those she loves, Golden City, and her entire world.

Peter Buck, editorial director of Elsewhen Press said “This is the first time any of our titles will have been released as an audiobook. We are thrilled to begin with Christopher Nuttall’s fantastic *Bookworm* series and hope this is the start of a long relationship with Tantor.”

Scott Smith, who acquired the *Bookworm* series for Tantor Media, said “Christopher is one of the top Fantasy and Science Fiction authors out there right now so we’re beyond excited to be working with him and Elsewhen Press in getting the *Bookworm* series published in audio.”

“We’re thrilled to be entering into this new partnership with Elsewhen Press,” said Ron Formica, director of acquisitions for Tantor Media. “Tantor has a strong catalog of fantasy and science fiction audiobooks, and adding an author of Christopher’s caliber is very exciting for us.”

Book one in the *Bookworm* series is expected to release in audio in June 2017 and will be available through major retailers, the rest of the series will release throughout 2017.

Christopher Nuttall has been planning sci-fi books since he learnt to read. Born and raised in Edinburgh, Chris created an alternate history website and eventually graduated to writing full-sized novels. As an indie author, he has self-published a large number of novels. *The Royal Sorceress* was the first of his novels to be published by Elsewhen Press, quickly followed by *Bookworm*.
