FOR IMMEDIATE RELEASE

### ***The Dark Chronicles* – banished immortals and their struggle to return to heaven**

Elsewhen Press publishes *Can't Dream Without You*, the first of *The Dark Chronicles* from rising star of Canadian speculative fiction, Tanya Reimer.

**DARTFORD, KENT – 8 January 2016** – Elsewhen Press, an independent UK publisher specialising in Speculative Fiction, is delighted to announce the publication today of *Can't Dream Without You* by Canadian author **Tanya Reimer**, the first of her tales from *The Dark Chronicles*.

Legends say that, tens of thousands of years ago, Whisperers were banished from the heavens, torn in half, and dumped on a mortal realm that they didn't understand. Longing for their other halves, they went from being powerful immortals to lonely leeches relying on humans to survive. Over the years, they earned magic from demons, they left themselves Notebooks with hints, and by pairing up with human souls, they eventually found their other halves. Humbled by their experiences, they discovered the true purpose of life and many were worthy of returning to the heavens. But many were not.

*The Dark Chronicles* are stories that share the heartache of select unworthy Whisperers on their journey back to immortality after The War of 2019. *Can't Dream Without You* is one such story, in which we meet Steve and Julia. Steve isn't a normal boy. He plays with demons, his soul travels to a dream realm at night using mystical butterflies, and soon he'll earn the power to raise the dead. Al thinks that destroying him would do the world a favour, yet he just can't kill his own son. Wanting to acquire the power that raises the dead before Steve does, Al performs a ritual on Steve's sixteenth birthday. He transfers Steve's dark magic to Julia, an innocent girl he plans to kill. But Steve is determined to save Julia and sucks her soul to Dreamland. From the dream world, he invokes the help of her brother to keep her safe.

Five years later, Steve can't tell what's real or what's a nightmare. Julia's brother wants to kill him, a strange bald eagle is erasing memories, and Steve's caught in some bizarre bullfight on another realm with a cop hot on his trail looking to be Julia's hero. All the

while, Steve and Julia must fight the desperate need to make their steamy dreams a reality.

*Can't Dream Without You* is published in digital editions today by Elsewhen Press. It will be published in a print edition in April.

### About Tanya Reimer

Born and raised in Saskatchewan, Tanya enjoys using the tranquil prairies as a setting to her not-so-peaceful speculative fiction. She is married with two children which means among her accomplishments are the necessary magical abilities to find a lost tooth in a park of sand and whisper away monsters from under the bed. As director of a non-profit Francophone community center, Tanya offers programming and services in French for all ages to ensure the lasting imprint and growth of the Francophone community in which she was raised. What she enjoys the most about her job is teaching social media safety for teens and offering one-on-one technology classes for seniors.

Tanya was fifteen when she wrote her first column. She has a diploma in Journalism/Short Story Writing. Today, she actively submits to various newspapers, writes and publishes the local Francophone newsletter for her community, and maintains a blog at *Life's Like That*. In 2014 her debut novel *Ghosts on the Prairies* a Sacred Land story for adults was published by Elsewhen Press, followed by *Petrified* a young adult Whispering novel, from Sunbury Press.
